

CODE OF BEHAVIOR – KIDS CAMP 2023

Point Roberts Park and Recreation District #1
PO Box 156, Point Roberts, WA 98281-0156

Kids Camp is an experience of fun and friendship, where memories of Point Roberts summers are made to enjoy for a lifetime. Each participant in Kids Camp must adhere to this Code of Behavior to preserve the safety and enjoyment of everyone at Kids Camp.

- Every child participant must listen to the Counselors and Chaperones, must follow the directions of Counselors and Chaperones, and must adhere to all safety policies outlined with each activity. Any child that displays a lack of ability to follow directions may be asked to leave Kids Camp.
- No child may leave the Camp early without a written and signed note from their parent or guardian for the day they will be leaving early. Parents and guardians may pick up children early at any time but must check in with a Counselor at that time. If any child should leave early without prior arrangements, the parent or guardian will be called, and the family will be notified that the next time will result in expulsion from Kids Camp.
- Every participant of Kids Camp is expected to be a good community citizen and steward of the land, helping others whenever possible, sharing, and waiting patiently for each child to have a turn, and respecting our environment. Kids Camp is not a place for bullying, swearing, insulting, cursing, yelling aggressively, pushing or any other unwanted physical contact. Any dangerous or disrespectful behavior of this nature will result in immediate expulsion from Kids Camp with no recourse to return to camp this year.

Let's have a FUN and SAFE Kids Camp!
